PATIENT FINANCIAL RESPONSIBILITY AND MUTUAL AGREEMENT

I hereby assign my insurance benefits to be paid directly to the physician in this office. I hereby authorize the release of medical information related to the services received in this office.
If I do not have a valid referral for any visit as required by my insurance plan, I agree that I will be responsible for providing a valid referral within 48 hours of my visit. By signing below, I accept financial responsibility for all charges incurred at any visit if the appropriate referral is not received in the time specified or for non-covered services performed. I agree to pay all fees owed for services hereunder within thirty (30) days of date of service and agree to pay a late fee equal to 1% per month on any past due amounts. Should it become necessary to use an outside collection agency and/or to initiate litigation to collect payment from me, I will be responsible for all additional charges incurred, including, but not limited to, collection and legal fees associated with such actions.

PATIENT/GUARDIAN_____**DATE**_____

JUVA has a policy to ensure the privacy of your medical information that is in concordance with the federal Health Insurance Portability and Accountability Act (HIPAA). You have the right as a patient of JUVA to receive a written or verbal explanation of the program to maintain confidentiality. I acknowledge that JUVA has given me a copy of its office privacy notice.
I am aware of JUVA's policies and their patient bill of rights.

I request that payment of authorized benefits from Medicare and/or my health insurance carrier(s) be made either to me or on my behalf to Bruce E. Katz, MD, David Cangello, MD, Wayne Luo, MD, April Cannon, NP, Marianne Woody, NP , Johanna Petrycki , PA for services furnished to me by my provider. I authorize any holder of medical information about me to release medical records, lab reports, radiology reports, and/or photographs to the Centers for Medicare & Medicaid Services, my health insurance carrier(s), and/or its agents any information needed to support eligibility for coverage for medical services.
I understand that if I do not cancel any of my appointments at least 24 hours before, I may be charged a cancellation fee.

Drs. Bruce E. Katz & David Cangello and Bruce E. Katz, M.D., P.C. & Juva Skin & Laser Center/ MediSpa/ Plastic Surgery (collectively labeled "*Physician*") agree to provide treatment to: "Patient" named above . The Physician takes pride in being able to extend a greater degree of privacy than is required by law.

Federal and State privacy laws are complex. Unfortunately, some medical offices try to find loopholes around these laws. For example, physicians are forbidden by law from receiving money for selling lists of patients or medical information to companies to market their products or services directly to patients without authorization. Some medical practices, though, can lawfully circumvent this limitation by having a third party perform the marketing. While personal data is never technically in the possession of the company selling its products or services, the patient can still be targeted with unwanted marketing information. Physician believes this is improper and may not be in the patients' best interest. Accordingly, Physician agrees not to provide medical information for the purpose of marketing directly to Patient. Regardless of legal privacy loopholes, Physician will never attempt to leverage its relationship with Patient by seeking Patient's consent for marketing products for others.

We want your feedback. If our office gets it right, tell us. If we could do something better, tell us. We take quality improvement seriously. While there are scores of "rating sites" in cyberspace, many fail to provide useful information. Let's get it done right. We can make recommendations as to which sites follow minimum standards for fairness and balance. Just ask us.

Physician has invested significant financial and marketing resources in developing the practice. Nothing in this Agreement prevents a patient from posting commentary about the Physician - his practice, expertise, and/or treatment - on web pages, blogs, and/or mass correspondence. In consideration for treatment and the above noted patient protection, if Patient prepares such commentary for publication on web pages, blogs, and/or mass correspondence about Physician, the Patient exclusively assigns all Intellectual Property rights, including copyrights, to Physician for any written, pictorial, and/or electronic commentary. This assignment shall be operative and effective at the time of creation (prior to publication) of the commentary.

This Agreement shall be in force and enforceable for a period of five years from Physician's last date of service to Patient. As a matter of office policy, Physician is requiring all patients in its practice sign the Mutual Agreement so as to establish that any anonymous or pseudonymous publishing or airing of commentary will be covered by this agreement for all Physician's patients. Further, this Agreement will survive for a minimum of three years beyond any termination of the Physician-Patient relationship.

Patient and Physician acknowledge that breach of this Agreement may result in serious, irreparable harm. Patient and Physician agree to the right of equitable relief (including but not limited to injunctive relief). Should a breach of this Agreement result in litigation, the prevailing party in the litigation shall be entitled to reasonable costs, expenses, and attorney fees associated with the litigation.

Juva supports the right of each patient to develop an advance directive; however, such advance directive (variously also known as patient's living will, patient proxy for health care, DNR, DNI) I acknowledge that any advance directive I may have will be suspended and not be honored during the time I am in the Juva office.

Patient has been given the opportunity to ask questions and receive satisfactory and adequate explanations.

Cancellation Policy for Juva Skin & Laser Center

Dear Patient:

Please be advised that there is a 24 hour cancellation policy at Juva Skin & Laser Center.

If you need to cancel your appointment, your cancellation must be received a minimum of 24 hours in advance of your scheduled appointment time. (Leaving a message on our voicemail the night before the appointment does not allow us enough time to schedule another patient in the cancelled slot)

Failure to cancel a minimum of 24 hours in advance of your appointment will make you liable for a non-refundable cancellation fee of $50.00 for an office visit or a higher fee for a procedure. From time to time, as an executive and discretionary measure, fees may be waived on a case-by-case basis, particularly if you reschedule on the same day as the cancellation due to an unforeseen scheduling conflict.

All medically based cancellations will require a note from a physician or medical facility. Medically based cancellations will have this cancellation fee waived. We must also collect your credit card information in order to bill for deductibles, co-insurance charges, co-payments and cancellation fees. Please ask for our credit card policy sheet for further information.

Please sign this form acknowledging comprehension and agreement with the above policy and return to the office in person, fax this signed document to 212-421-9502, or scan and e-mail the signed document to mail@juvaskin.com.

Thank you in advance for your cooperation.
